**CIRCLES - Community Integration, Recreation,
Connections, Leisure Education and Socialization**

CIRCLES is an inclusive recreation program for children, ages 5 –12. Designed to meet the needs of children with disabilities, CIRCLES welcomes all children to participate. We meet twice a month at the Valley Therapeutic Recreation Center in North Hollywood Park. From there we either adventure out into the community to explore the world around us or explore the park and different indoor activities. Some of the places we have gone include museums, the beach, the zoo and different types of parks. We travel by van and sometimes even take the subway.

Our staff have educational backgrounds in therapeutic recreation, child development, special education and related fields.

If you would like additional information, please call (818) 756-9757 and ask for Louisa.

- When:** Two Saturdays per month, 10:00 – 2:30
Where: Valley Therapeutic Recreation Center, North Hollywood.
Fee: \$60 per session, each session covering 2 months.
