**S.T.A.R.s – Socialization and Teamwork in Activities of
Recreation**

STARs is an all inclusive recreation program for children. Designed to meet the needs of children with disabilities. STARs welcomes all children to participate. From our center we venture out into the community to explore the world around us. Some of the activities and outings will use money management, socialization, life skills, and community based recreation. We travel by van or public transportation. Our staff have educational backgrounds in therapeutic recreation, child development, special education and related fields.

If you would like additional information, please call (818) 756-9757. The center will assess your child to determine appropriateness for participation in this program or other programs we may have available.

- When:** Two Saturdays per month, 10:00am –2:30pm or extended timeframe.
Where: Valley Therapeutic Recreation Center, North Hollywood
Fee: Registration fee each month plus additional cost per day
