Date: August 26, 2009

TO: NLACRC Day, Work, Transportation, Adaptive Skills, Infant Development, Socialization Training, Creative Arts & Social Recreation Program Providers

FROM: Susan Pittman, Community Services Director

RE: Regulatory Changes to Uniform Holiday Schedule

Pursuant to recent changes in California Statute[†], effective August 1, 2009 regional centers shall not compensate vendors of Work Activity (954), Behavior Management (515), Activity Center (505), Adult Development Center (510), Community Integration (056), Social Recreation (525), Adaptive Skills (605), Infant Development (805), Program Support (110, 111), Socialization Training (028), Client/Parent Support Behavior Intervention (048), Creative Arts (094), or Community Activities Support (063) programming for providing any service to a consumer on any of the days listed in the Trailer Bill . Additionally, regional centers shall not fund any kind of transportation services for consumers to receive these services on any of the days listed in the Trailer Bill.

The non-billable days currently listed in the Trailer Bill are subject to change. We anticipate further clarification on the remainder of non-billable days for 2009 within the next several weeks and we will post a Uniform Holiday Schedule on our website at that time. For now, this memo serves as notification that **Labor Day, observed on Monday September 7th, is a non-billable day for the programs listed above.**

If your agency is currently reimbursed at an hourly rate for any of the listed services, service hours scheduled for a non-billable day cannot be shifted to a different day of the week.

Thank you for your continued commitment to providing quality services to individuals with developmental disabilities and working in partnership during these challenging times. If you have any questions or would like additional information, please contact Susan Pittman, Community Services Director at (818) 756-6116.
