RE: **IRS Mileage Rate Decreased for Transportation Service Providers and Fiscal Management Service Providers**

Effective January 1, 2021, the Internal Revenue Service (IRS) decreased the standard mileage rate for the use of a car (also vans, pickups or panel trucks) from \$0.575 per mile to \$0.56 per mile. For those service providers that receive reimbursement for transportation services based on the IRS rate, the rate decrease will be reflected on your January 2021 invoices.

If you have any questions about your invoices or billing, please contact NLACRC's Accounting Department at 818-778-1900. If you have questions about your rate, please contact NLACRC's Community Services department at 818-756-6122.
