

## HOW TO RAISE YOUR HAND IN ZOOM

### **If you are using a computer:**

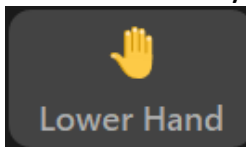

1. Click “Reactions” at the bottom of your Zoom screen.

2. Click the “Raise Hand” button.

3. When it is your time to speak, you will receive a message to unmute your microphone. Make sure to unmute your microphone when you receive this message.
4. When you are finished speaking, you will automatically be muted.
5. You can lower your hand by clicking the “Lower Hand” button.

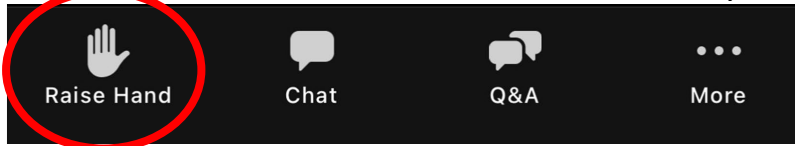

## If you are using the Zoom application on your phone:

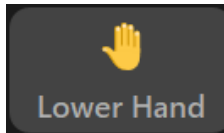

*This option is if you are using the Zoom app on your phone. See below if you are dialed into the meeting on your phone.*

1. Click the "Raise Hand" button at the bottom of your phone screen.

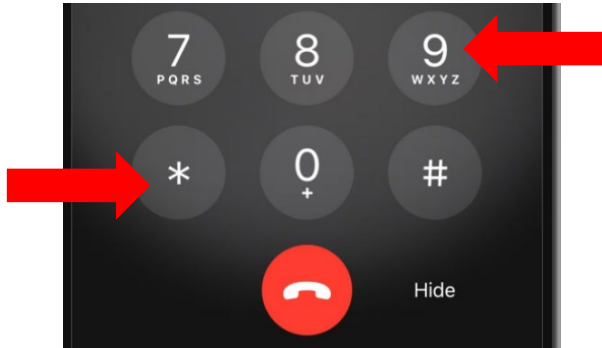

2. When it is your time to speak, you will receive a message to unmute your microphone. Make sure to unmute your microphone when you receive this message.
3. When you are finished speaking, you will automatically be muted.
4. You can lower your hand by clicking the "Lower Hand" button.

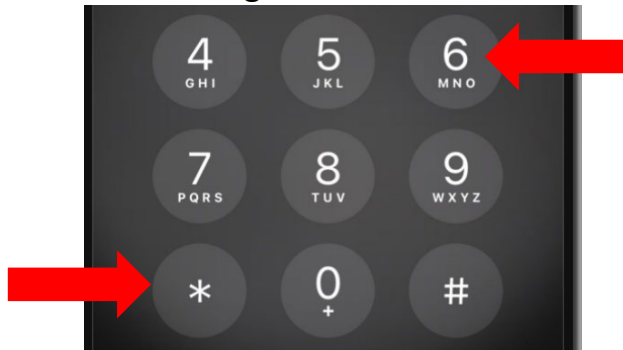

**If you are dialing in on your phone:**

1. Dial \*9 on your phone keypad.

2. When it is your time to speak, you will be asked to unmute your microphone. Press \*6 on your phone keypad to unmute your microphone when you receive this message.

5. When you are finished speaking, you will automatically be muted.
6. You can lower your hand by pressing \*9 on your phone keypad.
