Special Incident Report (SIR) reminders

24 hours – to verbally report to NLACRC

48 hours – to submit the SIR to NLACRC at sir@nlacrc.org

DDS has provided NLACRC with a tool

(available here: <https://www.nlacrc.org/home/showdocument?id=6355>)

that will assist you in completing SIRs prior to submission. This tool provides a list of questions specific to the type of incident you are reporting on, and prompts you to address those areas in the SIR.

We understand that all of the information may not necessarily be available at the time of submission, but it is our expectation that this information will be submitted in an addendum once the follow-up care has been received and/or the staff training has been completed.

Please feel free to contact us if you have any questions and/or need assistance.
