Dear North LA Community,

We continue to extend our thoughts to you and your loved ones during these challenging times. Most of our Service Coordinators are temporarily working remotely and relying on the use of technology. As such, you may receive phone calls from an unknown or unidentified number from your Service Coordinator. We understand that some individuals may feel more comfortable knowing who is calling them so we wanted to take a moment to provide this update. In any event, your Service Coordinator will leave a voicemail or email you so you can respond. If you have a preferred way of communicating, please contact your Service Coordinator.

Please stay safe and healthy.

Sincerely,

Dr. Jesse Weller  
Chief of Program Services
