Dear Staff and Community,

We have received a directive from the Department of Developmental Services (DDS) regarding admissions to and discharges from Porterville Developmental Center, Canyon Springs Community Facility and all STAR homes. In an effort to protect health, safety and well-being of individuals and staff at these facilities, admissions will be denied and discharges delayed for all individuals. DDS, regional center staff and others may continue to prepare for admissions to and discharges from a Department facility for when it is medically safe and appropriate. To review the full directive, please go to our website at www.nlacrc.org or [click here](#).
