Fiscal Year 2017-18 Community Placement Plan Housing Guidelines

Effective October 5, 2020

On January 23, 2018, the Department of Developmental Services (DDS) issued the *Guidelines for Purchasing and Developing Permanent Housing through the Regional Center Community Placement Plan for Fiscal Year 2017-18 Requests and Modifications* (Housing Guidelines).

DDS has determined that it no longer needs to review the following documentation to make an approval for housing and amends the Housing Guidelines to remove the requirements for regional centers to submit:

- A contract between the regional center and HDO at the time of the Housing Proposal (Section V.D, page 13 and Appendix H). Please note the regional center shall execute a contract with the HDO that meets the requirements detailed in the Housing Guidelines. In addition, the regional center must maintain and make available the executed contract when requested for review by DDS.
- A pro forma budget at the time of the Housing Proposal (Section V.B.v, page 13 and Appendix K) and Housing Acquisition Request (Section X.B.ix, page 22 and Appendix O).
