PROJECT: Funding to Support Compliance with Home and Community Based Services (HCBS) Final Rule

RELEASE DATE: Thursday, June 5, 2025

DEADLINE FOR SUBMISSION: Thursday, July 10, 2025 @ 11:59 p.m.

Purpose:

On Friday, March 14, 2025, the Department of Developmental Services (DDS) released a directive regarding funding available to regional centers to be used to support compliance with Home and Community Based Services (HCBS) Final Rule. Home and Community Based Services (HCBS).

The Directive indicated the Fiscal Year (FY) 2024-25 enacted budget included \$15 million in purchase of service funding to assist providers in maintaining ongoing compliance with the HCBS Final Rule, and to support broader work in each community, which promotes and sustains quality service provision. Regional centers should work collaboratively with people who receive services, their families when appropriate, and the service provider community to prioritize the use of available funds to meet the needs of individuals served in their local area.

In accordance with the March 14, 2025, directive North Los Angeles County Regional Center (NLACRC) is seeking qualified consultants to support HCBS compliance within the catchment area. NLACRC sought input from individuals who receive services, their families, and the service provider community regarding use of the \$826,792 allotted within the NLACRC catchment area. NLACRC is releasing this Request for Proposal (RFP) to seek qualified individuals and or agencies for the following projects:

Project #1 - Person Centered Thinking Training/Workshops

Contractor(s) will develop trainings and resources that aide service providers with a clear understanding of HCBS Final Rule requirements, including person-centered planning, service documentation, self-evaluation, and monitoring of compliance. This will include support in the form of one-to-one consultation services, technical assistance, and small group trainings. Creation and implementation of innovative pathways that support community integration, individual rights, choices, highlighting a whole-person approach to service delivery. The support will aim to assist vendors in the development and successful application of HCBS Remediation Plans. Funding for this project is up to \$209,899.14.

Project #2 – Employment: Coordinated Career Pathways Training & Technical Assistance

Contractor(s) will develop a series of trainings for providers to engage in best practice for Customized Employment Services. Project will also include Social Security Benefits Technical assistance directly to families and clients. Proposed outcome is to train NLACRC providers currently offering employment services in Coordinated Career Pathway certification through ACRE. Funding for this project is up to \$230,000.

Project #3 – Promote Collaboration & Partnerships with Businesses & Organizations & Micro Enterprise Fair The Contractor(s) will facilitate and cultivate partnerships with local businesses and community-based organizations through luncheon events designed to promote employment opportunities and share resources that support sustained, competitive employment. The Contractor(s) will coordinate a Micro-Enterprise Fair to provide clients with an opportunity to showcase and sell products from their small businesses, supporting entrepreneurship and economic self-sufficiency. Funding for this project is up to \$50,000.

Project #4 - ASL (American Sign Language) Training

The awarded applicant(s) will develop and administer American Sign Language (ASL) courses and Deaf Culture training for the Direct Support Professional (DSP) community. The primary objectives of these courses are to enhance accessibility for the Deaf+ Consumers and to strengthen the communication skills of DSPs within

Home and Community-Based Services (HCBS) settings. Funding for this project is up to \$130,000.
