PROPOSAL SUBMISSION DEADLINE

The deadline for submission of proposals is February 8, 2026, at 11:59 p.m. (PST).

All interested parties are invited to submit a proposal to NLACRC in accordance with the specifications contained in this Request for Proposal (RFP) for the development and operation of the ARF.

A. BACKGROUND OF NLACRC

NLACRC is a private, nonprofit corporation, which contracts with the State of California's Department of Developmental Services (DDS), to provide services and supports to persons with developmental disabilities and their families in the San Fernando, Santa Clarita, and Antelope Valleys. Developmental disabilities include intellectual disabilities, epilepsy, autism, and cerebral palsy. The Internal Revenue Services (IRS) has established NLACRC as a 501(c)(3) corporation.

NLACRC serves more than 40,000 individuals within its catchment area. Services and supports provided by NLACRC include diagnostic, evaluation, case management, and early intervention services. In addition, NLACRC purchases services from over 1,500 entities or individuals in NLACRC's catchment area. The purchased services include, but are not limited to, out-of-home residential services, community-based day programs, transportation, independent living services, supported living services, Early Start services for children under the age of 3 years, family supports, such as day care or respite, and behavioral intervention services.

Request for Proposals (RFP)
NLACRC Community Placement Plan (CPP)
FY 2025-2026

NLACRC's funding from DDS includes funding for both the operations of the regional center and the services purchased to support the individuals we serve. NLACRC's allocation from DDS for the most recently published fiscal year, 2023-2024 is \$ 834,980,751 of which \$ 98,349,464 is for regional center operations and \$736,631,287 is for Purchase of Services. NLACRC anticipates similar funding from DDS in future years.

B. RATE OF REIMBURSEMENT

The Department of Developmental Services established a rate methodology for Service Level 7 which will use a customized rate for each facility, calculated using the vendored capacity, direct care staffing hours, staff qualifications, consultant hours, and identified fixed costs such as Housing Developer Organization (HDO) lease costs and property tax costs. Regional centers separately may authorize supplemental services for an individual within the facility, such as additional staff or consultant services.

C. START-UP FUNDING

Start-up funds are awarded with the intent of defraying the cost to develop new services. Therefore, commitments in the form of hard (dollar) and/or soft (in-kind) contributions are necessary for each applicant receiving an award.

The maximum amount of start-up funding available for the project is in the project description at the beginning of this RFP. It is understood that the actual cost to complete the start-up of the facility may exceed this amount. Any additional costs will be the responsibility of the applicant. Payment of claims submitted to the regional center is contingent upon the provision of acceptable documentation including, but not limited to, invoices, receipts, and cancelled checks. Awardee is expected to operate the facility a minimum of six (6) years. It is understood if the vendored ongoing service developed through the start-up contract is terminated before six (6) years of service, the Contractor shall pay back a portion of the start-up funds received for that service as follows: One sixth (1/6th) of the total start-up funds received for the service will be forgiven for each year of service, and partial years of service will be prorated to a full year. For example, if Contractor terminates service two (2) years and three (3) months from the agreed upon start date of the services, the amount to be forgiven shall be calculated as three (3) years, inclusive of rounding partial year. Therefore, in this example, three (3) years equaling 3/6th or 50% of the total start-up payment shall be due from Contractor within seven (7) business days from the last day of service provision. Contractor's final payment for services shall not be released until repayment in full of any outstanding amount due to NLACRC resulting from termination prior to completion of six (6) years of service.

D. ELIGIBLE APPLICANTS

Both non-profit and proprietary organizations are eligible to apply. Employees of Regional Centers are not eligible to apply. Applicants must disclose any potential conflicts of interest per Title 17 Section 54314. Applicants, including members of the governing board, must be in active status in regard to all services vendored with any regional center and be financially solvent. Applicants that have been sanctioned in the last 12 months will not be eligible for vendorization.

FY 2025-2026

E. APPLICANT PARTNERSHIPS AND MATERIALS SUBMITTED

Applicants who apply as partners must have full knowledge of the proposal packet and must demonstrate commitment to the project during start-up and ongoing operations. However, if a partner's sole purpose is to provide financial backing to the project, the financial backer need only show financial commitment. If the partner's role is only to provide technical support (e.g., drafting the RFP response), the applicant receiving such support is responsible for all language contained in the RFP and the eventual program design.

F. SELECTION PROCEDURES

All proposals received by the deadline will be reviewed and scored by the Proposal Selection Committee selected by NLACRC. Proposals will be reviewed for timeliness, completeness, quality, experience and fiscal stability of applicant, reasonableness of costs, ability of applicant to identify and achieve individual outcomes, and the ability of the applicant to respond to the identified needs of the proposed project. After preliminary review and scoring, an interview with the finalists will be scheduled. **Interviews will be scheduled on weekdays between February 24 – 27, 2026, during the hours of 9:00 a.m. – 5:00 p.m.**

In addition to evaluation on the merit of the proposal, applicants will be evaluated and selected based on previous performance, including the timely completion of projects, a history of cooperative work with the regional center or other funders, ability to complete projects within budgeted amounts, and a record of accomplishment consistent with established timelines for development.

The final decision of the Proposal Selection Committee shall be approved by the Executive Director and is not subject to appeal. All applicants will receive notification of NLACRC's decision regarding their proposal.

G. RESERVATION OF RIGHTS

NLACRC reserves the right to request or negotiate changes in a proposal, to accept all or part of a proposal, or to reject any or all proposals. NLACRC may, at its sole and absolute discretion, select no provider for these services if, in its determination, no applicant is sufficiently responsive to the need. NLACRC reserves the right to withdraw this Request for Proposal (RFP) and/or any item within the RFP at any time without notice. NLACRC reserves the right to disqualify any proposal which does not adhere to the RFP guidelines. This RFP is being offered at the discretion of NLACRC. It does not commit the regional center to award any grant. Please note applicants must be in active status with NLACRC and other Regional Centers and may be disqualified for any of the following: receipt of Correction Action Plan (CAP), Sanction or Immediate Danger findings, failure to disclose any history of deficiencies or confirmed reports of abuse, previous failure to perform, or unwillingness to comply with Title 17 and NLACRC best practices.
