Upon confirmation of quorum, the meeting was called to order by President Sharmila Brunjes at 6:00 PM. Opening remarks included a welcome, reminders for participants to display their full names, and guidance for Board members to state their names when making or seconding motions to support accurate minute-taking.

The Board reviewed the organization’s mission and vision statements, reaffirming its commitment to supporting individuals with developmental disabilities in leading healthy, productive, and inclusive lives. Meeting protocols were also outlined, including public comment procedures—limited to agenda items at the beginning of the meeting, with general public input scheduled later—and adherence to the civility code to ensure respectful and inclusive dialogue.

Housekeeping items included confirmation that Spanish interpretation was available and instructions for Board members to update their display names to include their role and geographic designation.

2. IMPACT STORY FROM INDIVIDUAL SERVED

Executive Director Angela Pao-Johnson shared a video from Ruby, the parent of an individual served, Judah.

3. **BOARD MEMBER ATTENDANCE/QUORUM**

Board members were confirmed in attendance on Zoom. Quorum was confirmed by staff.

4. **AGENDA – APPROVAL**

A proposed agenda change was introduced: the Transparency and Public Information Policy item was not ready for presentation and would be deferred to the following month. The Board was advised that a formal vote to defer would occur when the item was reached on the agenda.

Absent objection, the agenda was approved as amended.

5. **PUBLIC INPUT & COMMENTS—RESERVED FOR AGENDA ITEMS**

During the public input portion of the meeting, Sharmila Brunjes reminded attendees that comments were limited to agenda items, with a three-minute time limit per speaker.

One public comment was received from community member Jon Francis. Jon Francis began by offering an apology for comments made at a previous meeting. Jon Francis then expressed continued advocacy for services supporting individuals with developmental disabilities, with a particular focus on the Self-Determination Program (SDP).

Jon Francis shared that, as a community partner and committee member, active involvement has included submitting a letter to the Governor regarding proposed budget cuts that may impact SDP services. Jon Francis emphasized the significant positive impact of SDP—particularly in improving access to communication services—compared to traditional service models, noting meaningful progress for individuals and families.

Jon Francis acknowledged ongoing challenges within the program while recognizing efforts by stakeholders to address them. Concern was expressed regarding potential Medicaid-related funding reductions and their impact on SDP, alongside continued advocacy efforts to preserve and strengthen the program. Jon Francis concluded by thanking the Board for its support.

No additional public comments were made, and the meeting proceeded to the next agenda item.

6. **CONSENT ITEMS**

Sharmila Brunjes listed the consent items as approval of the Board of Trustees meeting minutes from March 11, 2026. Sharmila Brunjes asked if there was any discussion.

Absent objection, it was resolved to approve the meeting minutes from the March 11, 2026, board meeting. Motion carried.

7. **ACTION ITEMS**

7.1 **Lindquist, Von Husen & Joyce Presentation on IRS Form 990 Tax Return**

Sharmila Brunjes introduced the action items, beginning with a presentation on the IRS Form 990 tax return by Joe Huie of Lindquist Von Husen & Joyce. The Board was informed that a more detailed review of the Form 990 had previously been conducted at the Executive Finance Committee (EFC) meeting, and this presentation would serve as a high-level summary.

Joe Huie explained that the Form 990 is an annual informational tax return required by the IRS that provides transparency into the organization's financial position, governance, and operations for public review. Joe Huie noted that the current year's filing reflects no significant changes from the prior year, with no unusual transactions or reportable issues. The reported financial figures, including total assets, net assets, revenue, and expenses, are consistent with and directly tied to the organization's audited financial statements, with the Form 990 serving as an alternate presentation format with additional disclosure requirements.

Joe Huie further reported that the organization continues to demonstrate strong public support, consistently exceeding 99%, which satisfies IRS public support tests and confirms the organization's classification. While there were increases in both revenue and total assets compared to the previous year, these changes were expected and did not reflect any material shifts in operations or financial structure. Overall, the return reflects stable operations, consistent financial reporting, and no compliance concerns.

Board members were invited to ask questions; however, no questions or discussion were raised. It was also noted that Board members could reference the detailed EFC discussion and upcoming published minutes for additional information.

Following the presentation, Vini Montague, Chief Financial Officer, noted that a formal motion was required for approval.

On a motion made by Anna Hurst, seconded by Curtis Wang, it was resolved to approve the IRS Form 990 tax return. Motion carried.

7.2 Approval and Adoption of Updated Board Policies – Board Recruitment Plan
a. Board Member Onboarding Plan

Sharmila Brunjes introduced the approval and adoption of updated Board policies, beginning with the Board Onboarding Plan. Sharmila Brunjes provided background, noting that the plan was originally submitted to DDS in 2025 as part of special contract language, returned with feedback in July, and subsequently revised and resubmitted. The plan has now been finalized and brought forward for formal adoption and website posting.

On a motion made by Jeremy Sundelrand, seconded by Alex Kopilevich, it was resolved to approve and adopt the Board Member OnBoarding Plan. Motion carried.

Sharmila Brunjes then addressed the Transparency and Public Information Policy, noting that the policy is currently in draft form and under review by outside legal counsel. As the policy is not yet ready for Board consideration, a request was made to defer the item to a future meeting.

No objections were raised, and the Transparency and Public Information Policy was deferred.

7.3 Approval of New Purchase of Services (POS) Policy for Social Rec Camping Non-Medical Therapies

Sharmila Brunjes introduced the next action item: approval of the new Purchase of Service (POS) Policy for Social Recreation. Evelyn McOmie presented the policy and provided an overview.

Evelyn McOmie, Deputy Director, explained that the policy update is based on guidance issued by DDS on March 25, directing regional centers to align with a standardized policy framework. Adoption of this model policy allows for implementation without requiring additional DDS approval. The policy aligns with existing service standards and clarifies the purpose and scope of social recreation services.

Evelyn McOmie noted that the policy emphasizes services that support skill development and promote community-based inclusion. Requests for services must be addressed through the Individual Program Plan (IPP) process, with a focus on utilizing cost-effective, community-based resources. The policy also includes examples of eligible services and outlines an exception process for unique circumstances, requiring approval by the Executive Director or designee.

No questions or discussion were raised.

On a motion made by Jeremy Sunderland, seconded by Cathy Blin, it was resolved to approve the new Purchase of Services (POS) Policy for Social Rec Camping Non Medical Therapies. Motion carried.

8. BOARD BUSINESS

8.1 Introduction of New Dental Consultant

Sharmila Brunjes introduced a new Board Business item, welcoming Lisa Butters-Smith as the Regional Center's new full-time dental consultant.

Lisa Butters-Smith provided an overview of professional background, including experience as a dental hygienist and prior work with another regional center. Lisa Butters-Smith explained that the role will continue core responsibilities such as reviewing dental treatment plans and coordinating funding, while expanding efforts in outreach, education, and training due to the full-time, on-site presence.

Recent and upcoming activities include hosting virtual presentations on children's oral health and the impact of autism on oral health, participating in vendor fairs, and conducting community and family outreach. Lisa Butters-Smith also highlighted ongoing efforts to increase the number of vendored dental providers, including recruitment of pediatric and adult providers, particularly in underserved areas such as the Santa Clarita Valley. Additional updates included onboarding a provider capable of administering general anesthesia and collaboration with a behavioral therapist specializing in dental-related support.

Lisa Butters-Smith emphasized that dental care remains a significant unmet need for individuals with developmental disabilities and expressed a goal of improving access and awareness through expanded services and partnerships.

During Board discussion, Anna Hurst inquired about outreach to dental providers and training on working with individuals with developmental disabilities. Lisa Butters-Smith confirmed ongoing outreach and noted challenges related to Medi-Cal reimbursement rates.

Jeremy Sunderland asked about involvement in advocacy for a behavioral management billing code. Lisa Butters-Smith confirmed support efforts, including letters and petitions, and noted that while such codes exist, reimbursement denials remain a challenge.

Additional comments highlighted the need for services that accommodate individuals with mobility limitations, including those who use wheelchairs.

The Board expressed appreciation for the presentation, and the meeting proceeded to the next agenda item.

8.3 Announcement on Upcoming Elections

Sharmila Brunjes announced that Board elections will take place in June, with the proposed slate to be presented at the May meeting.

Sharmila Brunjes noted that while the Nominating Committee has already developed a slate, Board members interested in running for an Executive Committee position may still do so. Nominations may be made from the floor at the time of the election, either by self-nomination or by another Board member.

The announcement emphasized that additional interest and participation in the election process are encouraged.

8.4 Strategic Plan Update

Angela Pao-Johnson provided an update on the organization's strategic planning process. The project, facilitated by a consulting group, has completed the fact-finding phase, which included interviews with approximately 85 internal and external stakeholders, including staff, Board members, committees, DDS, ARCA representatives, and community partners.

The process is currently in Phase 2 and remains on schedule. A Strategic Lab was conducted on March 17, bringing together executive leadership and staff across departments and levels to discuss mission, vision, values, and organizational priorities. Feedback from this session is being used to inform the next steps, including the distribution of internal and external stakeholder surveys. Board members will receive a survey to provide input.

Angela Pao-Johnson shared that four key focus areas have emerged for action planning: enhancing customer service through a more person-centered approach, improving organizational alignment and efficiency, strengthening and empowering the workforce, and supporting community partners. Action planning teams are being formed to develop specific strategies and outcome metrics, followed by a Strategic Planning Summit and development of a final implementation roadmap. The strategic plan is expected to be completed by the end of June, with Board presentation anticipated at a subsequent meeting.

During discussion, Lety Garcia inquired about the duration of the plan and timeline for presentation. It was noted that the plan is expected to span approximately three years, with final presentation likely in August.

Sharmila Brunjes raised the importance of Board involvement in the development process. Angela Pao-Johnson confirmed that Board input will be incorporated through upcoming surveys and increased participation in Phase 3 of the process.

Anna Hurst expressed support for the process, noting the value of alignment across the organization and the importance of strengthening organizational culture and relationships.

The Board expressed appreciation for the progress and noted that the strategic planning effort is advancing efficiently.

The Quality Assurance team completed 144 residential visits, including 54 unannounced visits, resulting in four corrective action plans. For social recreation reimbursement, Angela Pao-Johnson shared that nearly 4,900 individuals have been served and more than 10,267 authorizations processed. Processing timelines have improved, and additional staffing is being added to support seasonal demand. Angela Pao-Johnson also highlighted recent outreach at the City of Los Angeles Shine LA Resource Fair, where staff shared information about NLACRC services with families and community members.

A second public comment was provided by community member Grigore Madikians, who shared an urgent personal situation involving housing instability and medical concerns. Grigore Madikians requested immediate assistance, including temporary housing support, and expressed concern regarding delays in service implementation.

Angela Pao-Johnson acknowledged the comment and confirmed that follow-up would occur. Sharmila Brunjes also expressed concern and appreciation for the comment.

North Los Angeles County Regional Center
Director's Report
May 2026

1. NLACRC Spotlight:

- A.** NLACRC launched a new Self-Direction informational sheet for CSCs to share during IPP meetings.
 - i. The resource is intended to help individuals and families better understand Self-Direction service options.
- B.** CSC IPP meeting guides were expanded into additional core languages.
 - i. The guides support CSCs in facilitating required IPP discussion topics and documenting information needed to develop the resulting IPP.
- C.** NLACRC began a partnership with California State University Bakersfield (CSUB).
 - i. Recruitment outreach was conducted with Sociology students at the Antelope Valley satellite campus on May 4th.
 - ii. 17 students were screened for the Associate Consumer Services Coordinator position.
- D.** NLACRC continues efforts to reduce high caseload ratios across Service Coordination.
 - i. In March, 81 caseloads exceeded 100 individuals.
 - ii. Currently, 42 caseloads exceed 100 individuals, representing 6.5% of Service Coordinators.
- E.** NLACRC will be launching Community Listening Sessions with the Executive Director focused on historically underserved communities within our catchment area.
 - i. The initiative is intended to better understand gaps in service awareness, access, and community engagement.
 - ii. Communities of focus include Hispanic/Latino, Armenian, Black/African American, Farsi-speaking, and Filipino communities.
 - iii. Sessions will be held monthly in the Chatsworth and Lancaster offices on the first Tuesday and Wednesday, respectively, from 6:00 p.m.–7:30 p.m.
 - iv. Food will be provided for participants.
 - v. The first sessions, focused on the Armenian community, will take place on June 2nd and June 3rd.

2. Association of Regional Center Agencies (ARCA) and Department of Developmental Services (DDS) Updates:

- A. Dental Policy & System Updates**
 - i. ARCA is sponsoring Assembly Bill 1670, with additional dental-related bills currently in circulation.
 - ii. Anticipated expiration of Proposition 56 dental funding in July may reduce provider rates.

1. Proposition 56 funds higher Medi-Cal provider rates (including dental).
 2. If it expires → lower rates, fewer providers, reduced access to care.
 3. Potential downstream impact → decreased provider participation and reduced system capacity.
- iii. Assembly Bill 341 was signed into law to support partnerships with dental schools for the regional center population.
1. No funding was allocated → implementation is contingent on future appropriations.
- iv. DDS is prioritizing dental access as a focus area and is working on a solution.

3. Special Contract Language Update:

A. NLACRC has continued to make progress reducing caseload ratios.

- i. The following reflects NLACRC’s current ratios compared to statewide averages and Welfare and Institutions Code requirements:

 2. Ages 0-5
 - a. NLACRC: 1:60 | State Average: 1:45 | Requirement: 1:40
 3. All Other Consumers
 - a. NLACRC: 1:76 | State Average: 1:71 | Requirement: 1:66

- B. NLACRC is also making gains in meeting the requirement of having a 15% response rate to Individual Program Plan (IPP) Surveys and 85% satisfaction in the 5 questions posed by DDS.**

- i. For the first quarter, NLACRC response rate has risen to 8%, an increase from 2% in 2025.

Family Resource Center: Family Resource Center provides services and support for families and infants and toddlers, under the age of three years, that have a developmental delay, disability, or condition that places them at risk of a disability. Services include, as specified in Government Code 95024(d)(2), parent-to-parent support, information dissemination, public awareness, and family-professional collaboration activities; and per Government Code 95001(a)94), family-to-family support to strengthen families' ability to participate in service planning.

Self Determination Program Participant Support: The SDP allows for regional center consumers and their families more freedom, control, and responsibility in choosing services, supports, and providers to help meet the objectives in their individual program plans. The SDP Participant Support is for regional centers, in collaboration with the local volunteer advisory committees, to assist selected participants in their transition to SDP.

Home and Community-Based Services ("HCBS") Compliance Funding: The HCBS Rules require that programs funded through Medicaid (called Medi-Cal in California) provide individuals with disabilities full access to the benefits of community living and offer services and supports in settings that are integrated in the community. This could include opportunities to seek employment in competitive and integrated settings, control personal resources, and engage in the community to the same degree as individuals who do not receive regional center services. The HCBS rules focus on the nature and quality of the individuals' experience and not just the setting where the services are delivered.
