

Help UCLA researchers learn
about early infant development!

Semel
UCLA

The PROMISE Study

Your family may be eligible for this study if you: :

- Live in the greater Los Angeles area
- Are pregnant or have an infant under 6 months
- Have an older child with a confirmed autism diagnosis

You will receive:

- \$55 per visit
- \$80 at 24 months
- Ongoing verbal developmental feedback throughout the study
- Written developmental report at 24 months

Participation includes:

- Motor activity monitoring via wearables
- Play-Based Motor assessments
- Developmental assessments

What is the time commitment?

- 5 visits over 2 years
- Some visits can be done remotely in your home
